Sir,

I have the honor to state that messrs Valahatta Devappa, Agent Thirumalachar and several other inhabitants of Gundalpet town presented a petition to the Amildar of Gundalpet praying for permission to remove free of

the stones of the mantap
in front of the delapidated temple
of Sri parawasudevarw On enquiry
it has been ascertained that
the temple in question was
in a very unsafe Condition
when at the request of the
inhabitants some 30 or 40 years
ago the idol in this temple
was permitted to be removed
to the Sri vijaya Narayana Swami
temple in Gundalpet Fort and
that evrsince the puja is
going on regularly and that
at present much inconvenience
for want of space
is felt at times of utsavam,
since there are 2 idols

in the temple

To remove this inconvenience the people have thought of Constructing a stone mantap in front of the Sri Vijaya Narayana Swami temple out of the materials of the stone mantap now lying useless in front of the said Paravasudevarau temple The inhabitants have unanimously given their Consent to the stones being removed and the Sri Vijayanarayana Swami Bank has promised to render help to the extent of Rs1000/- for the Construction of the mantap And the petitioners pray that Government may be pleased

to

bute something like.
Rs 1000/- towards the Construction
and allow the removal free
of Cost.

The Sub Division officer
recommends the prayer. The
mantap belong to a Government
Nursery Institution now in ruin
and as the object is a laudable
one I see no objection to the
grant of the prayer of the
petitioners as regards permiss...
to remove the stone, free
of Cost and as regards pecuniary
help the request is submitted
for the favourable Consider-
-ation of Government.

As regards the prayer of the devotees to remove free of cost the materials of the existing mantap in front of the Paravasudevaru temple the request it may be fair to grant, seeing

if the material available from the ruined temple is capable of being sold, the amounts so fetched may be made available as a ground in aid for the construction of the mantap. The D. Court is requested to ascertain and report if

that the idol of the Sri Paravasadevaru temple has been removed into the Sri Vijayanarayana Swami temple, are prepared to grant the prayer of the devotees with regard to the removal free of cost of the materials of the existing mantap. they will also be willing to grant such amounts as may be realised from the sal of unused materials of the Sri Paravasadevaru temple. the Dy Court is requested to kindly state whether the devotees are willing to undertake the work on the above conditions without any additional grant from the state funds.
